

IMMCMBS - 2023

Sydney, Australia

**IMM Conference in
Mathematical & Biological Sciences 2023
with Workshop in Data Analytics**

**Organized by
Institute of Mathematics and Management
Australia**

Dates: 21 and 22 October 2023

Venue:

**Western Sydney University Parramatta City Campus,
NSW, Australia**

Objective of the Conference

The importance of knowledge creation and sharing are well understood. Yet, large number of published research articles are erroneous due to the lack of knowledge in quantitative research.

The IMM determined to fill the knowledge gap, conducts a research conference along with a “**Workshop in Data Analytics**”.

IMMCMBS will be a platform for knowledge sharing, learning basic concepts of data analytics, improving your knowledge in data analysis and statistical software handling.

Deadlines

Abstract Submission: **30 July 2023**

Registration

Presenters: **15 September 2023**

Participants: **1 October 2023**

Keynote Speaker (Mathematical Sciences)

Dr.(Mrs).W.G.Samanthi Konarasinghe

Academic Director & Head of the Academics

Institute of Mathematics and Management, Sri Lanka & Australia

& Researcher, Western Sydney University, NSW, Australia

Topic: *Recent Developments and Applications in Mathematical Modelling*

Keynote Speaker (Biological Sciences)

Dr.T.M. Chaudhry

Former Researcher, Biological Sciences, Western Sydney University,
NSW, Australia
