7th July 2022

Excellency,

I have the honour to inform you that we are aiming to welcome more Sri Lankan students to our university. Therefore, permit me to introduce our esteemed institution, King Mongkut's University of Technology Thonburi (KMUTT) for your kind information and consideration. KMUTT is recognized as one of the leading higher education and research institutions in Thailand. KMUTT is committed to becoming a specialized university in engineering and technology with focus on learning, technological and research excellence, producing talented and creative minded graduates and gaining international acceptance. Moreover, in order to make KMUTT to be World-class university, we pledge to do our utmost in offering to our foreign students with strong interdisciplinary cultures, a track record of creative thinking and innovation and the full capacity to attract a more diverse student population.

Ideally located in Bangkok, a real center of Southeast Asia, KMUTT maintains our future competitiveness to attract international students, KMUTT offers a diverse choice of academic, extra- curriculum cultural and athletic activities to choose from which not only enrich the educational experience but also help students make new friends and become global citizens. Currently, KMUTT offers 69 English based programs (14 Bachelor, 18 Master and 37 Doctoral) at our 12 strong faculties/schools with full excellent teaching and laboratory facilities.

We have excellent lecturers and professors who are products from the renowned universities from around the world. Moreover, our library and computer center are highly equipped with new technologies to help students learn easily and have better access to learning environment. As in this connection, I would highly appreciate it if Your Excellency could kindly disseminate this information to Sri Lankan students who wish to further their higher studies in the first ranking science and technology university in Thailand in addition to our affordable tuition fee with comparatively low living costs as well as abundant availability of reasonably-priced and well-located accommodations. KMUTT is proud to be the most value for money's university in Thailand and Southeast Asia. Last but not least, KMUTT is pleased to offer some scholarships to the bright and prominent students from your esteemed embassy. For more information, please check on our website <https://www.kmutt.ac.th/en/>
