AND SUSTAINABLE ECONOMIC RECOVERY
Bali, 19 November 2021**

The Bali Democracy Forum (BDF) was first inaugurated in 2008 as an avenue to push for a more progressive and robust democratic architecture in the Asia-Pacific region. Since its inception, the event has facilitated dialogues and the sharing of experiences and best practices in managing diverse perspectives in a democratic environment - while upholding the principles of equality, mutual understanding and respect.

Since 2017, the BDF has developed further through the involvement of students in the Bali Democracy Students Conference (BDSC). For the past 4 years, BDSC consistently presents thematic areas of concerns on the issue of democracy that engages youth from over 60 countries into problem-solving dialogues. The success of BDSC is demonstrated through the increasing number of participants by years, from 150 students in 2017 to 238 participants in 2020.
