University of Peraduniya

Dear Sir/ Madam,

Sub: - Information about special openings in current year for admission of International students in various programs of IIT Ropar - reg

Indian Institute of Technology Ropar (IIT Ropar) is an Institute of national importance and one of the youngest of IITs, which is established by the Ministry of Education (MoE), Government of India, to expand the reach and enhance the quality of technical education.

At present, IIT Ropar offers admission to international students directly in various Post graduate and Doctorate programs in various departments like Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Metallurgical and Materials Engineering, Mechanical Engineering. Our institute also offers a Masters in Science (M.Sc.) program in the disciplines of Physics, Chemistry, and Mathematics. Doctoral programs are offered in all the areas. This year we have huge openings in Ph.D and Masters courses, which is a rare opportunity for the aspirants as the number of seats in international quota was increased to 10%.

The selection of candidates is based on personal interviews through online mode and applications are accepted through the "Study in India" program and ICCR, Government of India and directly also. The Study in India and ICCR offers different scholarships to international students for study in Indian institutes. In addition, IIT Ropar also offers admission to deserving international students through self financing mode.

Getting a lead in its high Research Quality the Indian Institute of Technology (IIT) Ropar has stood highest in the Citations per Paper among all IITs in the country. The institution has been ranked at No. 25 in the QS India Rankings 2020 and 47th in Times Higher Education Asia University Rankings 2020. Furthermore, IIT Ropar has active collaborations with the most prestigious institutes worldwide such as University of Saskatchewan, Dalhousie University, Massachusetts Institute of Technology, USA, Concordia University, Cardiff University, University of Ontario, Simon Fraser University, State University of New York at Binghamton, NCTU Taiwan, Macquarie University Australia, University of Calgary Canada, Swinburne University Australia and CCU Taiwan.

Please find attached an information brochure about IIT Ropar and our global engagement. We will be very thankful if your office can circulate this information about admission of international students in IIT Ropar in the relevant forums and educational institutions in your country for the benefits of students

Thanking you

(Lagvish Kumar)
